

REALTOR® Care Day

June 5, 2019

What is REALTOR® Care Day?

REALTOR® Care Day is an annual day of service to the communities in which REALTORS® live, work and raise families.

Since its inception in 2005, REALTOR® Care Day projects have provided almost \$500,000 worth of improvements and repairs and hundreds of hours of service to local communities all around central Ohio.

The REALTOR® Care Day event is made possible by support from the Columbus REALTORS® Foundation as well as significant financial contributions, gifts, food, tools, services and supplies by REALTORS®, associates and local businesses.

History

Columbus REALTORS® started with one project in 2005. In 2018, 641 local REALTORS®, associates, friends, family and community members worked on 52 separate projects all over central Ohio, making over \$55,000 worth of improvements possible in a single day!

Past REALTOR® Care Day main projects have included: Mwanza Place (South Linden); Indianola Homes (University District); American Addition (Joyce & Woodward Avenues); NoBo (North of Broad) in the King Lincoln district; Framingham Village on Innis Road; the Children's Hospital residential community, the Hilltop area, the King Lincoln District, Franklinton, the Reeb Hosack and Hungarian Village areas of Columbus' South Side, and Milo-Grogan.

2019 – Milo-Grogan

Our 2019 main project will again be focused in the Milo-Grogan area of Columbus! Our intent is to work on the properties of several home owners.
